

General

The city of Idstein operates the Himmelsbornweg RV park with a total of 12 parking spaces on Himmelsbornweg. The site is located in the Wolfsbachtal recreational area. It is lit, graveled, and has electrical hookups. The site also has a water supply and waste disposal facility.

Permitted Vehicles

The parking space is only open to users with self-contained motorhomes with a maximum weight of 7.5 tons.

Motorhomes without a toilet, cars, caravans, and tents are not permitted. Vehicles must be in a roadworthy and safe working condition. Always ensure that no fluids such as oil, brake fluid, or coolant are leaking. When parking, observe the markings.

Opening Hours

The site is open year-round. The maximum length of stay is limited to 72 hours. Users must vacate the site by 12:00 noon on the day of departure. Longer stays may be permitted upon prior arrangement.

Fees

The following fees apply for use of the site:

Pitch fee: €10.00 per night

Electricity: €1.00 per 8 hours (automatic)

Fresh water: €1.00 (automatic)

Toilet disposal: Free

The pitch fee is collected by an agent of the City of Idstein.

Order and Waste Disposal

The area must be kept tidy and clean. Users of the area are responsible for disposing of their own trash.

Noise-making activities are prohibited between 10:00 PM and 7:00 AM.

Dogs must be kept on a leash on the area. Any mess caused by dogs must be cleaned up immediately.

House Rules

The Idstein City Council has the right to inspect the site. The council can prohibit use of the site in the event of violations of the site and usage regulations. Users must immediately follow the instructions of the security staff.

Idstein, October 6, 2011
